

YBN UNIVERSITY RANCHI JHARKHAND

YBN UNIVERSITY

About us

Y.B.N University, situated in Ranchi, Jharkhand, is a prestigious private university established by the Government of Jharkhand. With the aim of providing a distinctive educational experience, our university equips graduates with the skills, knowledge, and global perspective they need to make a positive impact in their chosen fields. We are proud to be Jharkhand's defining university, epitomizing creativity, innovation, and connectedness.

The university believes in personalized education that allows students to tailor their studies according to their interests and aspirations. Our diverse range of programs and courses provides students from all over the country with the flexibility to design their educational journey and explore their passions. By fostering close connections with industry, professional organizations, and local communities, we ensure that our students gain practical insights and real-world experience.

The university takes pride in its strong community connections, both locally and globally. Join a vibrant and inclusive academic community that nurtures talent, encourages critical thinking, and promotes holistic development. Discover limitless opportunities, engage in cutting-edge research, and connect with a community of like-minded individuals. Together, let's create a brighter tomorrow.

As members of the Tribal Welfare Society, we are dedicated to uplifting and empowering tribal communities. We promote active participation through educational initiatives, skill development programs, and health awareness campaigns. By preserving their rich cultural heritage and supporting sustainable livelihoods, we aim to create opportunities for growth, self-reliance, and social inclusion. Together, we strive to build a more equitable and inclusive future for our tribal brothers and sisters.

Mission and Vision

→ Mission

Y.B.N University is dedicated to engaging in outstanding scholarship that makes a significant contribution to society while producing groundbreaking research. The institution's mission is to foster an environment where innovative ideas and interdisciplinary approaches thrive, enabling students, faculty, and researchers to tackle real-world challenges and generate transformative solutions. By emphasizing academic rigor alongside social responsibility, the university not only advances scientific understanding but also ensures that its contributions have a lasting, positive impact on communities locally and globally.

→ Vision

Our vision is to create a transformative learning environment that empowers individuals to excel and drive meaningful change. We believe in a future where education goes beyond traditional boundaries, fostering innovation, adaptability, and leadership. Rooted in the belief that professional and industrial landscapes are ever-evolving, we strive to equip our students with the skills, knowledge, and mindset needed to thrive in dynamic environments. By nurturing a culture of excellence, collaboration, and continuous growth, we are committed to shaping leaders who will contribute positively to society and redefine the future with their expertise and passion.

Leadership

Shri Baidyanath Yadav
CHANCELLOR, YBN UNIVERSITY

Recognizing the nature of our globalized environment, Y.B.N sought to reap the benefits of the continuous technological advancements to offer our students a unique cultural, scientific, and pedagogical experience that sets them apart from their colleagues and places them on the cusp of innovation and discovery. Our student-centered philosophy entailed the development of a modern system that fosters the creative spirit of its students, honing their skills, and providing them with the tools needed to adapt to an ever-changing workplace environment.

Shri Ramjee Yadav
FOUNDER & CHAIRMAN

At the very outset, I would like to welcome you to Y.B.N University and congratulate you for joining it for your future studies as it has many plus points to its credit. It has highly qualified and experienced faculty and well equipped laboratories. There is a rich collection of texts, reference books and periodicals in its library. Computer labs are connected with Wi-Fi facilities. We not only believe in imparting quality education but also ensure all round development of our students. Outreach activities are frequently organized.

Our Unique Selling Proposition

Y.B.N University stands apart as Jharkhand's premier institution, offering an unparalleled blend of scale, innovation, and opportunity. Spanning 100 acres of lush campus, our state-of-the-art facilities include 5 million square feet of cutting-edge infrastructure designed to inspire learning and discovery. With massive hi-tech labs, we provide students and researchers the tools to push boundaries and pioneer transformative solutions.

Our vibrant community is home to 2,000 in-campus hostel seats, ensuring a dynamic, immersive living and learning experience. Guided by 200 distinguished faculty and scientists, we deliver world-class education and mentorship that empower students to excel in their fields. At Y.B.N University, our scale matches our ambition—creating a transformative environment where innovation, expertise, and global perspectives converge to shape the leaders of tomorrow.

School of Medicine

Medical Programmes

At Y.B.N University, we are committed to shaping the future of healthcare through a comprehensive suite of medical and allied health programs designed to meet the evolving needs of the industry. From foundational courses like BHMS, B.Sc. Nursing, GNM, and ANM to advanced degrees such as M.Sc. in Medical Lab Technology, Master in Public Health (MPH), and Master in Hospital Administration (MHA), our offerings span the spectrum of healthcare education. With specialized programs like Pharm D, M. Pharm, B.Sc. Operation Theatre Technology, B.Sc. Medical Radiation Imaging Technology, and BPT, alongside emerging fields such as B.Sc. Optometry, Bachelor in Public Health (BPH), and B.Sc. Nutrition & Dietetics, we provide students with the knowledge, skills, and practical expertise to excel as compassionate caregivers, innovative researchers, and visionary leaders. Backed by cutting-edge facilities and expert faculty, our medical programs empower graduates to make a lasting impact on human lives and global health.

SCHOOL OF HOMEOPATHY

About Us

The School of Homeopathy at Y.B.N University is dedicated to advancing the art and science of holistic healthcare through its flagship program, the Bachelor of Homeopathic Medicine and Surgery (BHMS). With a curriculum that blends traditional homeopathic principles with contemporary medical knowledge, we train students to become skilled practitioners who address the root causes of illness and promote natural healing. Supported by experienced faculty, state-of-the-art facilities, and hands-on clinical exposure, our School of Homeopathy prepares graduates to meet the growing demand for alternative medicine with compassion, precision, and innovation.

Programmes

BHMS

Eligibility: 10+2, PCB (NEET QUALIFIED)

SCHOOL OF NURSING

About Us

The School of Nursing at Y.B.N University is committed to shaping skilled and empathetic nursing professionals through programs like B.Sc. Nursing, Post Basic B.Sc. Nursing, GNM, and ANM. Our curriculum combines rigorous theoretical training with extensive clinical practice, ensuring students master the art of patient care while embracing the latest healthcare advancements. Guided by expert faculty and supported by cutting-edge facilities, our School of Nursing prepares graduates to excel in diverse medical settings, delivering compassionate, high-quality care that transforms lives and strengthens communities.

Programmes

B.Sc. Nursing

Eligibility: 10+2 with PCB

Post Basic B.Sc. Nursing

Eligibility: GNM

GNM
